Highlights

- *Canterbury Under 21 Men win National Championship*
- *David Brydon, Hugh Hendrickson, Sam Lane, Tom Mallon and Dominic Newman represent New Zealand at Men's Junior World Cup in Lucknow, India*
- *Kirsty Nation, Phoebe Steele, Catherine Tinning and Emily Wium represent New Zealand at Women's Junior World Cup in Santiago, Chile*
- *Karen Bennett umpires at the Junior World Cup*

Champion Canterbury Under 21 Men

Post game celebrations for the NHL Champion Cats

Canterbury Under 15 Championship Tournament Winners

- *Canterbury Cats win National Championship*
- *Jenny Storey reaches 50 cap mark for Cats and is named Women's MVP for the NHL Tournament*
- *Canterbury Cavaliers are Silver Medallists*
- *George Connell, Cam Hayde, Jono Spence and Trent Summers reach 50 cap mark for the Cavaliers*
- *David Brydon is named Men's MVP for the NHL Tournament*
- *Canterbury Beavers (Senior Men) win the Newman Trophy*
- *Canterbury Barracudas (Senior Women) are Silver Medallists*
- *Canterbury Under 15 Boys win the National Premier Championship*
- *Canterbury Primary Boys win the Hatch Cup*

The 1976 Olympic Gold Medal winning New Zealand Hockey Team and *Striking Gold* author Suzanne McFadden

Villa Maria takes their first-ever Federation Cup title

- Canterbury Hockey hosts the launch of *Striking Gold*, the story of the 1976 Gold Medal Olympic Hockey team
- Villa Maria College wins the Federation Cup
- Hockey is recognised with a record number of finalists for the 2016 Nexia New Zealand/ Canterbury Sports Awards
- Confirmation of new water-based turf in Rangiora and smaller turf in Rolleston for the 2017 seasons.
- Canterbury Hockey holds it's most successful Annual Awards at Sixty6 in the Christchurch Casino

- Cantabrians Sophie Cocks, Pippa Hayward, Olivia Merry and Brad Shaw represent New Zealand at the Rio Olympics
- Chris Leslie is selected as an Assistant Coach for the Women's Black Sticks at the Rio Olympics
- Sophie Cocks and Pippa Hayward reach the 100 test cap mark for the Black Sticks Women
- Nick Haig reaches the 200 test match mark for the Black Sticks Men
- Brad Shaw retires from the Black Sticks and International hockey, capping a 192 test career

Retiring Black Stick, Brad Shaw, at the 2010 Commonwealth Games

Chairman's Report

In keeping with global trends, hockey remains a very popular sport of choice in Canterbury. 2016 was an exciting year which saw our sport progress well in a number of areas. This culminated in some exciting competitions locally, some very pleasing results nationally, and the selection of a number of our home grown players for national Junior, Development or Senior Black Sticks teams.

The CHA staff, ably led by CEO Rod Templeton, was effective in delivering the game efficiently and in accordance with the strategic plan. Our staff often did that little bit extra and that is acknowledged and greatly appreciated by all those involved in hockey. The successes enjoyed in 2016 were certainly underpinned by the work done by our volunteers. The quality and commitment of our volunteers is second to none in the sporting world, and remains a key reason why hockey is the enjoyable and attractive sport that it is.

In terms of playing facilities, 2016 saw the construction and opening of the half turf at Rangi Ruru, and the near completion of the new water turf at Rangiora. These much needed facilities will be added to over the 2017 and 2018 seasons with the development of the Ngā Puna Wai Sports Hub, and the construction of a small turf at Fosters Recreational Park, Rolleston. Along with Rod Templeton, the Canterbury Artificial Surfaces Trust (CAST) with particular commitment from Peter Cox, Selwyn Maister and Nick Harris, has worked hard with the Christchurch City Council and the other sports in the effective progress of the Ngā Puna Wai Sports Hub to date. This work is greatly appreciated by the hockey community, as we all know how important it is to our future.

Black Sticks Jordy Grant and Gemma Flynn speak to Rangi Ruru players at the turf opening

The above mentioned new facilities provide hockey with a great opportunity to take the sport to another level, with focus on growing the game, making the hockey experience even better, by offering appropriate and quality competitions, quality events, timely match scheduling, development opportunities and suitable social facilities. We all share the desire to once again be able to host national tournaments on Canterbury soil. The effective and economically viable growth of the game will involve a collaborative approach from schools, clubs and CHA management.

Our representative teams did us proud, with the Under 21 Men, NHL Women (Cats) and Senior Men (Beavers) winning their respective tournaments, and with the NHL Men (Cavaliers) and Senior Women (Barracudas) finishing second. Our underage teams also performed very well. We continue to have a large player base and the challenge is to ensure the athletes are well managed by schools, clubs and the association, so we can continue to produce quality individual athletes and teams. Over 2016, Hockey Academy South (HAS) was reviewed, and from that a revamp of the HAS product is progressing, to ensure it meets the needs of Canterbury Hockey, and that it dovetails into the national development initiatives. Thanks to Chris Leslie for managing and delivering HAS through 2016.

In terms of The Hockey Growth Project, excellent work was continued by Lyndal Marshall and Peter Cox in getting the new turf at Rolleston over the line, and in conjunction with that, Waikirikiri Sport, which was accepted as a junior club into CHA competitions for 2017.

The Board appreciates the relationship with the North West Christchurch Community Sporting Trust and St Bede's College in the operation of Marist Park. Marist Park again proved a critical facility in 2016, allowing Canterbury to host elite level NHL matches. Equally, the Board appreciates the relationship with CAST and the Harewood Hockey Club, and the use and management of the Nunweek Park complex. The three turfs at Nunweek Park ensured the Boys Under 13 National Tournament was well delivered.

Canterbury Olympians Brad Shaw, Sophie Cocks and Olivia Merry are interviewed by MC George Barry at the CHA Awards Dinner

In 2016 there were a number of memorable quality events which included a gala dinner to mark the launch of *Striking Gold* and the annual Awards Night which attracted a record number of attendees, celebrating a good year of hockey success across the board. The support for these events was testament to the integrity and quality of our sport, and its people.

The financial performance for the year shows a net surplus, which is pleasing given the increase in operating expenses. We continue to be largely reliant on grant funding, however the Board is looking to secure long term relationships with appropriate sponsors/funders whose businesses can benefit from being directly involved with the hockey community. Financial stability remains at the forefront of the Board's actions and will remain a challenge moving forward. The growth of our sport also means additional costs and the Board is acutely aware that the increased costs must be balanced by ensuring appropriate income streams are formed.

The Board is very grateful for the hard work done by our Umpires, Competitions, Masters, and Junior Committees. These committees often face challenging requests from the community, management, and the Board. Appreciation must be acknowledged for the sound and rational advice and direction they provide, and the day to day assistance they provide to the office. The club and school President's circle meetings have proven a useful tool in improving club, school and CHA communications.

I would like to thank my fellow Board members Nick Harris, Lyndal Marshall, Rachel Morrison, and Josh Bird for their work in 2016. Josh is going overseas for a period and we wish him well. Our President and Awards Committee chair, Jeanette Harper, has again provided wisdom and sound advice in her roles, which included running the Under 13 National Tournament. I also extend my thanks to Jeanette.

The Board are looking forward to 2017 which promises to be exciting, but balanced by a level of risk. Significant changes are imminent with the anticipated growth of player numbers and facilities, and with that comes an absolute need from all involved in hockey to work together to ensure the best outcomes are achieved. 2017 and 2018 offer fantastic opportunities, which we should all embrace.

Mark Beatson
Chairman
Canterbury Hockey Association

Chief Executive's Report

In looking back at 2016, and forward to 2017, we should be confident about the progress we are making. In respect of our main goals identified in our Strategic Plan, we either met or exceeded our expectations. The Board has continued to ensure we focus not only on delivering an improved experience to our existing community, but also looking for opportunities to grow hockey especially in the Waimakariri and Selwyn Districts, with their rapidly increasing populations. As with most sports, we continue to be very aware of the need to balance our expected outcomes with our ability to fund our activities and to have the skilled and enthusiastic staff to deliver them.

Strategic Plan

At the beginning of this Annual Report, we include our updated Strategic Plan. The diagrammatic format reflects the Hockey NZ plan although our vision “to be Canterbury’s preferred sport”, we think, gives us a very local expectation to work towards. We continue to aim at “delivering quality hockey experiences” for all our community. Under each of the main goals we have detailed operational tasks that allows our team to plan and meet the outcomes expected.

Financial Results

Our Statement of Financial Performance for 2016 shows a pleasing Net Operating Surplus after Depreciation of \$64,435. This is above the 2015 result of \$24,273 deficit and above the Budget originally set at the beginning of the year. In 2015 we reported a Net Surplus of \$ 73,075 but this included a one-off contribution of \$97,000 from the winding up of the Canterbury Hockey Supporters Club. From our normal activities we are reporting a Net Operating Surplus before Depreciation of \$101,085, compared with \$19,234 in 2015, so we continue to have a significant positive cash-flow.

In our Operating Revenue, our income from Affiliation Fees reflected increased team numbers (as we did not increase our fees in 2016), while the increased income from Turf Hire was a result of the intense use of our turfs by our clubs and schools. The reduced Representative Player Contributions was matched by the reduced Representative Programme expenses. Our Grants income was less in 2016, as was the amount carried over in the Statement of Financial Position, which continues to be the risk with this income as there is no ability to guarantee funder support. We have increased our Sponsorship and we want to increase this particular revenue in the future.

In 2016 we reduced considerably our Operating Expenses. The major reduction was with Representative Programme where we had no away games for our NHL teams and both Under 13 teams playing in Christchurch. We were also able to negotiate reductions in the Sports Science costs applied to our Under 21 and above teams. The reduced Electricity and Gas was result of an additional charge in 2015 for power used at Marist Park. A significant cost to the Association is for Coaches, Umpires and Supervisors as these roles are vital for us to deliver hockey. Staff Expenses were reduced with new and part-time staff being used in 2016.

The final Net Surplus was impacted by the underwrite contribution made to Hockey Academy South (HAS). It is important to note we also receive an Administration Fee from HAS which exceeds this underwrite.

Growing the Hockey Community

Since 2010, hockey in Canterbury has been restricted in our ability to grow by the lack of turfs. We have still grown because of hockey’s fundamental strengths, but in 2016 we had a “tipping year” in that even with imaginative competition structures, we still could not accommodate all the teams that wanted to play. In 2017 we will have the new turf at Rangiora and in 2018 we will have two new turfs at Nga Puna Wai. We are very conscious, and excited, at the opportunity we have to really grow hockey in Canterbury with these new turfs coming on-stream.

In 2016 we worked closely with a number of clubs in applying the Clubmark process. While this was developed originally by Sport Canterbury we added a number of Canterbury Hockey specific measures which allow us and the club’s to focus on what will strengthen our combined ability to grow and deliver hockey.

In last year’s report we referred to our Hockey Growth Project which was aimed at growing hockey in the Waimakariri and Selwyn Districts. In Waimakariri the added impetus of the new water turf at Rangiora has resulted in us working closely with the Council, the North Canterbury Sport and Recreational Trust and the local clubs to target the local schools and communities with new hockey initiatives.

In the Selwyn District, our efforts with the Council and local hockey supporters have resulted in the Council agreeing to build a small turf in the Fosters Recreational Park in Rolleston. In late 2016, the Board agreed to accept into our junior competitions a new club based in the Rolleston and Lincoln areas called Waikirikiri Sport. It is hoped this club will continue to grow and eventually be approved as a full member of Canterbury Hockey.

The new turf in Rangiora, slated to open in February 2017

Offer Meaningful Competitions

As noted, 2016 was a “tipping year” in respect of being able to deliver our competitions. It is a measure of the work done by our Competitions Committee and staff that we were able to offer enjoyable and meaningful competitions across the grades. The support from our clubs and schools was also essential as we were forced to include byes and changed playing and practice times to allow as many teams as possible to play.

In 2017, we will increase our resources, in respect of both staff and technology, to improve the competitions area. It is the reality the vast majority of our community want timely information on who they are playing, where they are playing and when they are playing.

Our goal in 2017 is to also continue to improve our overall competitions structures. To that end we have a very knowledgeable and creative Competitions Committee plus we undertook a Forum to which clubs, schools and committees attended. All this information was used to prepare the competitions structures for 2017 – and beyond, as we need to be thinking on how all our new turfs can be used to maximise the playing of our game.

Winning on the National Stage (our Representative Teams)

As a major sport, we want and need our elite representative teams winning on the national stage. 2016 was a very good year for these elite teams with our Under 21 Men winning in May, and then our NHL Women (the Cats) and our Senior Men (the Beavers) winning in September. At the September combined NHL and Senior Tournaments our NHL Men (the Cavaliers) and our Senior Women (the Barracudas) were runners-up. That Canterbury Hockey had finalists in all four finals of that combined tournament was a first in the tournaments’ history.

We are very supportive of identifying performance outcomes for the junior (Under 18 and below) representative teams which will include development and enjoyment, as well as winning. The separate Representative Section of this report gives more detail on all our representative teams.

In 2017 we will be progressing our plan to use our Canterbury Hockey, HAS and Hockey NZ resources to build the “Canterbury Hockey Pathway” for our teams and coaches. We have identified the need for better technology to support this, as well as doing more to create a supportive Performance Community including coaches, players and umpires.

Hold Quality Events

An important objective of our Strategic Plan is to “hold quality events” as they reinforce the important social aspect that is essential for all sports. It is also important that the events we hold reflect the quality we know our sport has.

In April 2016 we hosted an exclusive gala dinner for 260 people at the Transitional Cathedral to celebrate the achievements of the 1976 Olympic Gold Medal Winning New Zealand Hockey Team and to launch the book, *Striking Gold* by award-winning journalist Suzanne McFadden. The book tells the story behind the Team’s incredible journey and captures the essence of an iconic moment in New Zealand sporting history. We were thrilled the event matched the quality of the book and the team it celebrated.

During 2016 we hosted the events that make up our normal calendar being the South Island Super 6 and Season Launch, Legends Night, our Annual Awards Dinner and Volunteers Function. In particular the Annual Awards Dinner, held at the Sixty6 function room at the Christchurch Casino, “raised the bar” yet again with a record number of attendees celebrating our individual and team achievements as well as recognising a number of our volunteers who do so much for Canterbury Hockey and our clubs and schools.

Teams at the Hatch Cup Ribbon Swapping at Opening Ceremonies

In October 2016 we hosted the Under 13 Boys Hatch Cup tournament. This is the largest primary schoolboys sporting tournament with 24 teams attending, and has a tradition well known and appreciated by the national hockey community. That the tournament went off without a hitch was a reflection of the hard work put in by the staff and the Tournament Administrator Jeannette Harper, our President. The success of the tournament was also helped by our Canterbury A Team winning the final.

Optimise Resources

A huge part of our year’s activities has been working on the construction of new turfs. The Board created a Facilities Committee in 2015 who have been overseeing our input into the design and operation of the new turfs. We are dealing with three different councils (being Christchurch City, Waimakariri District and Selwyn District) in the construction of three new full water turfs and one smaller turf. It is intended one water turf at Rangiora and the small turf at Rolleston will be available for use by us in 2017. The challenges and, more importantly, the opportunities from having the new turfs are being included in our planning for 2017 and beyond.

As happens with all dynamic entities, we continue to look at the resources we need to “deliver quality hockey experiences.” Obviously the most crucial of these is staff and we are seeing the benefits of having a team of skilled and enthusiastic people working at Canterbury Hockey. As noted below, in 2017 there will be some changes in the team with a corresponding change in emphasis in some of the roles being undertaken. In particular we have strengthened our focus on sponsorship and funding, competitions and performance.

The other resource we continue to invest in and improve on is technology. In particular we will address improving our competitions, communication and performance platforms.

Acknowledgements

I tend not to single out the Canterbury Hockey team when making acknowledgments – it is perhaps more for others to do that. However I do want to thank them for all they do to deliver our sport and to do it in a way that reflects our values of professionalism, energy, welcome and fun. In 2017 we will not have Chris Goldsbury, our Representative and Marketing Manager, to energise the office. Chris has decided he wants to pursue other challenges and to focus on his hockey playing and coaching. Chris added a huge amount to both the office and the hockey community during his 2 ½ years with Canterbury Hockey. Thankfully he will still be involved in Canterbury Hockey as a player and coach. Graham Jackson, our Competitions Officer, also resigned at the end of 2016 as we needed to make the competitions role full-time. As noted above, Graham had to deal with a huge amount in delivering our competitions in 2016 and it is a credit to him that we delivered competitions over all the numerous grades we have. Graham will also continue to be involved in Canterbury Hockey through his club and his family.

In 2017 we will have Brittany Smith take over the Competitions Manager role having previously been Office Support. Emma Phelps has come on board to be Office Support. Kate Trolove will join us to be our Marketing and Representative Manager. Kate’s strong marketing and communication skills are needed as we are a growing sport with real opportunities with sponsorship and communication. Kate will also oversee the administrative aspects of our representative programme.

There are three formal boards involved in delivering Canterbury Hockey being Canterbury Hockey, HAS and Canterbury Artificial Surfaces Trust (CAST). In 2016 Mark Beatson took over the Chair of Canterbury Hockey and I have appreciated immensely his support. The Board of Canterbury Hockey work well as a team and are enthusiastic about our opportunities as well as realistic about our challenges. With all the work being done on facilities and new turfs, the involvement of Selwyn Maister, Peter Cox, and the CAST Trustees continues to add great value to Canterbury Hockey. The structure and operational model for HAS is a “work-in-progress” being led by Mark with constructive support from Pat Barwick and Lee Munt.

Lastly I want to acknowledge and thank Jeannette Harper, our President and Go-To Tournament Administrator. Jeannette brings a wealth of wisdom to the office, a knowledge of what we need to remember and a real sense of fun.

Rod Templeton
Chief Executive
Canterbury Hockey Association

Tournament & Events Report

Canterbury Hockey prides itself on the quality of tournaments and events that are hosted and 2016 once again showcased this.

Tournaments

The annual South Island Super Six tournament kicked off the season in style, with over 30 teams using the tournament as a great way to get in shape before the main competitions got going. Schools and clubs were in attendance, with many setting up camp with marquees and BBQ's to create a real carnival-like feel. The majority of teams were from Christchurch, but it was the boys from Hibiscus in Auckland who went home winners, taking the Division One Men's title. The students from Lincoln University took home the honours for the Division One Women.

A new initiative was introduced this year on the representative front with an Under 21 quadrangular tournament that took place over Easter. With preparation games hard to come by, Canterbury invited North Harbour, Capital and Southern to Christchurch over the holiday weekend with each team playing three matches across three days. Four of the eight teams walked away with medals from the national tournament only a month later, signalling a successful introduction to the tournament that is set to continue between the regions in 2017.

Marist Park once again played host to round one of the National Hockey League with the Capital Men and Women travelling to Christchurch in early September. Our Primary A Boys and Girls teams battled each other in the curtain raiser, a great lead in to the matches which would follow. Strong performances from the Cats and Cavaliers saw the large crowd go home happy, both securing two goal margins to kick off their successful campaigns on home soil.

Dom Newman intercepts against Capital in the NHL game at Marist

The historic Hatch Cup tournament was once again held in Christchurch, Nunweek Park playing host to 24 teams across the country. The supporters were dressed to the nines day in day out as they got into the spirit of things, the on field performances somewhat matched by the vocal chords off it. A quiz night, banner competition and an umpires vs coaches match all added to the atmosphere that culminated in a packed Nunweek Park for finals day. With the sun beating down, the Canterbury side ended the week on top after a polished performance to beat North Harbour 3-0, much to the delight of the crowd. A successful tournament was run by Tournament Administrator Jeannette Harper, along with staff member Brittany Smith.

Events

Striking Gold Book Launch and Gala Dinner

In early April 2016 Canterbury Hockey hosted an exclusive dinner for 260 people at the Transitional Cathedral, Christchurch to celebrate the achievements of the 1976 Olympic Gold Medal Winning Team and to launch the book, *Striking Gold*, by award-winning journalist, Suzanne McFadden. The book tells the story behind the team's incredible journey and captures the essence of an iconic moment in NZ sporting history.

The opportunity to host the book launch came from the book's sponsor, David Appleby, who has many close connections with the Canterbury members of the 1976 team. David is an ex-Black Stick, was Chair of Hockey NZ and is a very successful businessman.

From the very start we wanted to create a high quality event that "raised the bar" on all previous ones. Simply, we wanted the launch to match the quality of the 1976 team and the book.

We were very successful with obtaining media attention with the occasion being extensively covered by The Press in the lead-up, while the dinner itself was covered in a separate feature on the TV One main news.

In delivering the Event we were limited by the capability of our venue, the Transitional Cathedral. While its optimum seating for comfort is around 220, we had such demand the final number accommodated was 260. We saw the launch as being a national one and we had demand from throughout New Zealand. A number of team family members came from overseas. The following morning we held a community event at Nunweek Park where over 250 members of the local community mingled with the 1976 team and had books signed.

The table is set for Striking Gold

Legends Night

Each year we use the opportunity of the NHL jersey presentations to also host past Legends of Canterbury Hockey (players who have represented Canterbury). The event was held in the stunning surrounds of the Tait Communication Atrium (as part of our sponsorship arrangement) and was attended by both NHL teams, player's parents, sponsors, members of our boards and, of course, a good number of Canterbury Hockey Legends. As part of the jersey presentations Tony Ineson, captain of the 1976 Gold Medal Winning Black Stick team, gave a very entertaining and inspirational speech appreciated by the team and those that attended.

Annual Awards Dinner

In late October 2016, a record 220 guests attended our Awards Dinner held at Sixty6 on Peterborough at the Christchurch Casino. The night was a real celebration of what was a truly fantastic 2016 season at a local and national level.

George Berry once again provided us with his top quality MC skills, and the evening ran smoothly with awards covering our main competitions, service recognition, Canterbury and New Zealand milestones, representative MVPs along with our supreme awards.

Patrons Sir Bob and Lady Jo Parker were on hand to present our supreme awards, and Sir Bob addressed those in attendance as he spoke of his admiration of the community for what had been achieved since the devastation of Porritt Park six years ago. A highlight of the night was hearing from our Rio Olympians. Grant Edwards paid tribute to Bradley Shaw. Shaw retired from the international stage following Rio and received a rousing standing ovation for his achievements over a 192 test career.

Community Hockey Report

Community Hockey activities covered a wide range of projects in 2016. From participation and development activities, to working with other associations in the Canterbury Region, we connected with players, coaches, umpires, clubs and committees across all levels of Canterbury Hockey.

The Hockey NZ Small Sticks programme is Canterbury Hockey's major tool for reaching out to schools to grow our sport. In an effort to provide an immediate link to clubs and further playing opportunities, Community Hockey has targeted schools in club catchments to provide a direct link to further playing opportunities. As part of the school to club Small Sticks partnership, clubs are asked to provide playing members to assist in the delivery of the hockey programme at schools. Avon, Hornby, HSOB/Burnside, Marist and Southern United supported the programme in 2016 and we are looking to expand our club support in 2017.

In addition, we made a concerted effort to target schools in communities where new turfs are coming online. With the new turf in Rangiora opening in February 2017, North Canterbury is an area with strong growth potential. Working alongside the North Canterbury Sport and Recreation Trust, five Rangiora and Kaiapoi schools took Small Sticks delivery in 2016. All told, Community Hockey delivered Small Sticks to 31 schools, reaching over 7,000 students.

Community Hockey aids in player recruitment and development along a number of pathways. Small Sticks provides school student with an introductory hockey experience, Fun Sticks gives new school year 1 and 2 aged players a platform to build on that experience to learn and master basic skills as they start to play hockey. Canterbury Hockey supports clubs in delivering Fun Sticks locally. In 2016, Community Hockey assisted eight clubs as they started 426 boys and girls on their hockey journey through Fun Sticks.

The hockey journey starts on the sidelines

To aid players in their development as they progress, the Hockey Accelerators and Accelerated Skills Programme (ASP) were delivered in 2016. Hockey Accelerators featured three times (pre-season, in-season and post-season), each six sessions, and was open to players of all abilities. ASP targeted specific age groups as their respective trials were upcoming. Under 18, Under 15 and Primary ASPs were held and well attended with Canterbury Representative players and coaches supporting delivery.

Umpire development is an integral part of running our competitions and education and development opportunities are run with the invaluable support of the Umpire Committee. At the Junior level, clubs start to supply Junior Umpires at the Kiwi Sticks (year 5-6) level. While the Umpire Committee has managed mentoring at the Kwik Sticks (year 7-8) level at Nunweek Park and Marist Park, an initiative was started to train club mentors to provide feedback to developing Kiwi Sticks umpires as their competition is played at number of smaller venues across Christchurch. 2016 was a good start and we will look to strengthen the programme in 2017.

The greatest area of growth was in the coach development area. With the support of the Junior Management Committee and initiatives that were driven by the Clubmark programme, more than 140 coaches partook in up-skilling opportunities through Canterbury Hockey. All new Junior coaches are required to take a coaching course prior to working with a team and clubs that took up Clubmark were required to have their coaches be certified through courses for accreditation. Coaches seeking accreditation for courses took an online section reinforced by an on field practical session. Eight separate courses were run from Kiwi Stick to Senior Club.

Club development through the Clubmark programme was a major initiative. Community Hockey looked to engage with clubs throughout the season to assist with their planning and delivery of key components to club and association success. Clubs were then evaluated at the completion of the season against performance markers. Eight clubs expressed interest in Clubmark and went through pre-season planning sessions of which five received Clubmark accreditation (Harewood and University received Gold status; Avon, Marist and Southern United achieved Silver). The information gained through all club engagement was helpful in assessing club capabilities and provided Canterbury Hockey with insights around our programmes. We will look to build on club participation in Clubmark in 2017.

Southern United Club Day at Nunweek Park

With the new turf in Rangiora and turf projects in Selwyn District and Nga Puna Wai, there will finally be the opportunity to accommodate real growth at all levels. The Hockey Growth Project is designed to help us move towards that not too distant future. Existing clubs will be able to expand their playing numbers and teams and as we grow the game to the north and south. There is the opportunity to accommodate new clubs. As mentioned, we're working with the North Canterbury Sport and Recreation Trust and the Rangiora and Hinemoa-Kaiapoi Hockey Clubs, as well as schools in the area to help develop a strong player base for their facility.

In Christchurch, the Primary School Sports Canterbury competition was played at Nunweek Park. More than 800 students played in the weekday afternoon games in 2016. Only a small percentage of those players compete in Canterbury Hockey competitions. There is huge potential with Nga Puna Wai to accommodate that competition and present our sport in a manner that will attract them to become dedicated hockey players.

Selwyn District has identified hockey as a sport of the future for their community. Towards that end, a half-turf for hockey is being installed at Foster Park and the Waikirikiri Sports Club has been established. The club held strategic planning meetings in 2016 and will be running a local Fun Sticks programme and fielding junior team in Mini and Kiwi Sticks grades in Canterbury Hockey competitions.

With the support of Hockey NZ and Sport Canterbury, Canterbury Hockey continues to be the main driver of Community Hockey across the Canterbury Region. Through the collaborative efforts of Canterbury Hockey, Mid Canterbury Hockey, South Canterbury Hockey and West Coast Hockey Associations, more than 9,000 students at over 50 schools were exposed to hockey. With the assistance of Chris Leslie and Hockey Academy South, almost 200 coaches were reached through our coaching courses and other extensions regionally. The strength of hockey in our region is reflected in the performance of our Regional teams and it was rewarding to see that we had significant contributions from all of our Canterbury Associations.

Competitions Report

Competitions at Canterbury Hockey continue to reflect the strength of our sport, clubs and schools. Canterbury Hockey fields grades that allow our clubs, schools and representative teams to develop players that achieve at the highest levels, while providing equal opportunity for a quality experience for more social and recreational players, regardless of age. 2016 tested our abilities to manage playing numbers in a restrictive facility environment and we look forward to a new full-field turf in Rangiora in 2017 and two new turfs at Nga Puna Wai in 2018.

Senior Hockey

Harewood were double winners for the Round Robin stage of competition for the Premier Grade, with both Men and Women taking the honours. While 2016 was a repeat for the Men, the Women broke a string of titles from HSOB/Burnside. The strength of both competitions was reflected in that while both Harewood teams won the regular season points table, neither won their league finals. Carlton Redcliffs took both Men's and Women's League Final championships, with the women beating Harewood in an entertaining affair that went to shootout and the men overcoming Southern United.

HSOB/Burnside took the Best Performed Senior Club Award based on their teams' results across all grades. Led by Division 1 and Division 4 Men's titles, the club had top four finishes in seven other competitions.

School Hockey

Canterbury Hockey administered the Scholastic Sports Canterbury competitions with Boys and Girls teams in Premier and School League competitions. On the Girls' side, Villa Maria College took top honours at the Premier grade. Villa Maria added to a stellar year with their first national title, winning Federation Cup. On the Boys' side, Christ's College 1st XI beat Burnside HS 1st for the Premier title. St. Andrew's College was the top Christchurch Boys team at national tournament with a fourth place finish at Rankin Cup.

Villa Maria and St Margaret's players exchange congratulations following the SPL Final

Junior Hockey

Participant numbers continue to grow through a number of playing streams at the Junior level. In spite of our limited number of full sized turfs, playing numbers have increased through the use of small-sided developmental grades as suggested by the Hockey NZ Small Sticks competition strategy. This has allowed the Junior Management Committee to help Canterbury Hockey deliver Mini Sticks (year 3-4) and Kiwi Sticks (year 5-6) competitions at a greater range of satellite facilities to free up turf time on our full field pitches. 2016 also marked significant growth in the Kwik Sticks Developmental Grade (year 7-8 6-a-side). The grade allowed less-experienced players valuable playing time in half pitch games.

Canterbury Hockey hosted the Primary School Sports Competitions providing more than 800 children with a quality playing experience at Nunweek Park. Work is in place to support coach and player development towards the goal of bringing these players into our club-based Junior competitions.

Masters and Summer Hockey

Canterbury Hockey continues to run one of the largest Association-based Masters competitions in New Zealand as administered by the Masters Committee. 15 Men's teams and 10 Women's teams featured in the competition that ran from October 2015 to March 2016.

Social 6 a-side Hockey continues to flourish with participants from all ages competing on Monday and Tuesday Summer evenings.

Administration

Canterbury Hockey competitions are conducted with great assistance from our operational committees including the Junior Management Committee: Kelvin Reid (Chair), Jo Anderson, Deidre Cumming, Micah Hocquard, Robert Jurgovac, Josh Kumbaroff, Tana Sullivan and Amanda Surridge; the Masters Committee: Murray Tasker (Chair), Wendy Fitzgerald, Wendy Hughes, Craig Iggo, John Maunsell, Jan McDonald, Dick Pettet and Carolyn Tooby; the Umpire Committee: Jeannette Harper (Chair), Brodie Greenfield, Lyndsey Jones, Rachel Murphy, Hilary Stubbs and Arthur Whitehead; and most especially the Competitions Committee: Kerry Dyson (Chair), Peter Darling, John Drummond, David Gerring, Lyndsey Jones and John Turner.

Special thanks go to Lyndsey Jones and Graham Jackson of Canterbury Hockey. Lyndsey stepped down as Senior Umpire Assigner in 2016 after many years in the role. The Competitions role will be a full-time position in 2017 with Graham unable to commit to that capacity. We thank them for their service.

By the Numbers

The following numbers were reported to Hockey NZ for Winter Participation Numbers in the 2016 season

Category/ Competition	No. of Teams	No. of Players
Open Men	49	821
Open Women	52	995
Secondary School Boys	28	520
Secondary School Girls	22	298
Kwik Sticks & Kiwi Sticks Year 5-8 Boys, Under 13	58	547
Kwik Sticks & Kiwi Sticks Year 5-8 Girls, Under 13	70	937
Mini Sticks & Fun Sticks Year 0-4 Boys, Under 9	28	251
Mini Sticks & Fun Sticks Year 0-4 Girls, Under 9	50	512
Primary School Sports Canterbury	114	888
TOTAL	471 teams	5769 players

Umpires Report

Canterbury Hockey continues to be among the national leaders in umpiring. Canterbury Hockey umpires represented at virtually every level of competition Internationally and Domestically. The following umpires and officials represented Canterbury Hockey with distinction in 2016.

International Appointments

Karen Bennett – Umpire, Junior World Cup, Santiago, Chile; Guest Umpire, Australia Hockey League

Andrew Brydon- Umpire, Master's World Cup, Canberra, Australia

Gareth Greenfield- Umpire, New Zealand v Korea Men's Test Series, Auckland, 4 Nation Men's Tournament, Melbourne, Australia

Lyndsey Jones – Judge, Sultan Johor Under 21 Tournament, Malaysia

Nic Rankin- Judge, Hawke's Bay Women's International Tournament; Technical Officer, 4 Nations Tournament, Darwin, Australia

Hilary Stubbs- Technical Officer, World Cup Qualifier, Gold Coast, Australia

Andrew Whitehead- Umpire, Master's World Cup, Canberra, Australia

Katrina Woolf – Umpire, New Zealand v Malaysia Women's Test Series, Stratford, Trans-Tasman Challenge, Auckland

Karen Bennett in action at the Women's Junior World Cup in Chile

Domestic Appointments

Liam Abbott—Umpire, Festival of Hockey

Charlotte Baken- Umpire, Under 18 Women's Association Tournament, Federation Cup

Natasha Ball- Umpire, Under 18 Women's Association Tournament, Federation Cup

Karen Bennett- Umpire/Umpire Manager, Hawke's Bay Affiliates Tournament; Umpire, National Hockey League

Holly Beynon - Umpire, Under 18 Women's Association Tournament

Andrew Brydon - Umpire, Rankin Cup

Adam Cantillon - Umpire, Under 15 Boys' Championship Tournament

Patrick Cantillon - Umpire, Under 15 Boys' Championship Tournament

Jade Cartwright-Keast - Umpire, Under 15 Girls' Championship Tournament

Sara Cox – Umpire, Collier Trophy

Kerry Dyson - Technical Officer, Under 21 Women's Tournament

Charlotte Fenton – Umpire, Collier Trophy
 Shaun Graveston - Umpire, Under 15 Boys' Premier Tournament, Rankin Cup
 Brodie Greenfield - Umpire, Under 18 Men's Association Tournament, Rankin Cup, Assistant Tournament Director, Under 15 Girls' Championship; Technical Officer, Hatch Cup
 Gareth Greenfield – Umpire, National Hockey League
 Vaughan Greenfield - Umpire, Rankin Cup
 Mel Harris – Umpire, Under 18 Women's Regional Tournament
 Levi Hines - Umpire, Under 15 Boys' Championship Tournament
 Lyndsey Jones - Assistant Tournament Director, Hawke's Bay Affiliates Tournament, Hatch Cup; Tournament Director, Under 15 Boys' Championship Tournament; Judge, National Hockey League
 Alastair Keleghan – Umpire, Hatch Cup
 Brooke McKay - Umpire, Under 15 Girls' Championship Tournament
 Grace Murphy - Umpire, Under 15 Girls' Premier Tournament
 Rachel Murphy - Umpire, Under 21 Women, Senior Women's Tournament; Umpire Manager, Hatch Cup
 Caitlin Philips – Umpire, Festival of Hockey
 Nic Rankin - Tournament Director, Collier Trophy
 Mark Rippin – Umpire, National Hockey League
 Nick Saunders – Umpire, Senior Men's Tournament; Umpire Manager, Rankin Cup
 Hilary Stubbs – Match Director, National Hockey League; Tournament Director, Under 18 Girl's Championship Tournament
 Liz Whitehead – Judge, National Hockey League
 Josh Wilson – Umpire, Hatch Cup
 Katrina Woolf - Umpire, Hawke's Bay Affiliates Tournament, National Hockey League

**Mark Rippin and Gareth Greenfield in a quiet moment before their NHL game.
 2016 marked the last season for Rippin in an illustrious NHL career**

The following Appointments were inadvertently omitted from the 2015 Annual Report and are included here for the record:

Kerry Dyson—Match Director, Under 18 Men's and Women's Regional Tournament
 Lyndsey Jones—Tournament Director, Under 18 Women's Association Tournament
 Nic Rankin—Tournament Director, Collier Trophy
 Hilary Stubbs—Tournament Director, Under 18 Women's Regional Tournament
 Andrew Whitehead—Umpire, Trans-Tasman Masters Challenge

Canterbury Hockey was fortunate to have more than 70 senior and 60 Junior accredited umpires available for appointments to their competitions in 2016. The Umpire Committee thanks them and their clubs for their services to hockey. Canterbury Hockey recognizes the contributions and efforts of the Umpire Committee: Jeannette Harper (Chair), Brodie Greenfield, Lyndsey Jones, Rachel Murphy, Nick Saunders, Hilary Stubbs and Arthur Whitehead.

Representative Teams Report

The Canterbury Hockey representative programme is one of the largest in the country and in 2016 we saw 28 teams from the various age groups head across New Zealand, wearing the red and black jersey with pride.

26 of those teams attended Hockey NZ National Tournaments where the performances were again very good. 14 of our teams played off in finals, with eight of these returning to Christchurch as national champions. This was complemented with six silver medals and a solitary bronze medal for a total of 15 medals.

Our Regional teams put in a much improved performance from 2015 with two national titles, a runners up and a third placing. Both NHL teams played in the finals, something that hadn't occurred since 2005. This year, the Cats repeated their title from 2012 with a 3-2 victory over North Harbour, while the Cavaliers fell one game short as they went down to Midlands 3-1 in their game.

The Under 21 Men put in their best performance for a number of years, securing the national title for the first time since 2008, a comprehensive 6-0 victory over North Harbour confirming them as the best team in the country. A further medal from the Under 18 Women who finished in third rounded out a fairly successful high performance campaign.

The results were reflective of the strength within Canterbury at an Association level also. We had 12 teams attend 10 tournaments with representation in the finals of seven of these, four of which would result in national titles.

The Senior Men continued their winning ways at the National Senior Tournament, their third consecutive victory. The Senior Women went all the way to the final but couldn't repeat their efforts of 12 months prior, going down in a penalty shootout.

Our Under 18 Association Women were finalists for the fourth consecutive year, but fell short in a close encounter with Manawatu. The Under 18 Association Men couldn't get themselves into the top two of their pool finishing the tournament in ninth.

Canterbury Under 15 teams excelled in 2016 with three of the four teams making it all the way to the final. The Under 15A Boys secured the national title for the first time since 2012 and the Under 15B Girls continues their winning ways as they came out on top for the fifth time in a row. The Under 15A Girls finished second for the third time in four years, while the Under 15B Boys were knocked out in the quarter finals and ended in fifth.

The future bodes well as our Primary A Boys continued their fine record at Hatch Cup, winning the title on home soil in front of a packed Nunweek Park, while the Primary A Girls ended Collier Trophy in seventh. Both our B teams were invited to the tournaments as well, the B Girls performing outstandingly well to finish in 10th. Down in Gore at the Festival of Hockey, our Primary Development teams were outstanding with the girls winning and the boys sharing the title with South Canterbury.

Canterbury players were also regulars on the international stage throughout the year. Bradley Shaw, Sophie Cocks, Pippa Hayward and Olivia Merry all attended the Olympic Games in Rio, while a further 12 pulled on the Black Sticks jersey in 2016. Nine players were selected in the NZ U21 teams who attended the Junior World Cups, which contributed to the 25 players selected in the Future and Junior Black Sticks squads.

Canterbury selections for the Black Sticks at the Trans-Tasman Challenge

Canterbury Cats

2016 was a year of change for the Cats with Andy and Sue Innes taking the reins as co-coaches along with six debutants. With a number of experienced players having moved away from the region or unavailable due to the Olympics, the addition of Great Britain Olympians Joie Leigh (2016) and Emily Maguire (2012) added valuable experience to the group.

The team headed to Auckland for a preparation weekend, taking on the defending champions along with North Harbour which gave them a good grasp of the level of play required to be competitive in the National Hockey League. The games provided them players and management with valuable match experience and quality team time as the International Guest Players were incorporated in to the Cats squad.

The opening round saw Capital visit Marist Park and the team got off to the best possible start as they secured the maximum four points. The team was then ready to launch into tournament week which was again held in Whangarei.

The first match in the far north saw the side suffer their only round robin defeat, going down in a penalty shootout to Central. This was followed up with four straight victories, three of which were against last year's semi-finalists including an intense final match against Midlands where a loss could have seen them miss a spot in the final. After being down 2-0, they rallied to win 3-2 and book their spot in the NHL final.

Torrential downpour played havoc with finals day, and the match against North Harbour was postponed four hours and changed to the outside turf. Once the game finally got underway (under clear blue skies), the Cats came out firing and gained an early two goal advantage, before North Harbour pulled one back before halftime. Captain Jenny Storey restored the two goal lead early into the second half, before North Harbour again reduced the deficit to put the game in the balance early in the final quarter. Some gusty defending saw the team hold on, securing the K-Cup for the first time since 2012.

Jenny Storey rounded out a great tournament week, highlighted by her 50th Canterbury appearance and the tournament's Most Valuable Player award. A huge effort from the entire team and management, and a well-deserved victory was celebrated in style!

Goal mouth action against Capital in the round one match at Marist Park

NHL Results

Capital	Won 4-2
Central	Lost 1-1 (0-3 PSO)
Northland	Won 4-0
North Harbour	Won 1-0
Auckland	Won 2-1
Midlands	Won 3-2

Final

North Harbour	Won 3-2 (National Champions)

Champion Cats with the K-Cup after their 3-2 victory over North Harbour in the NHL Final

50 Caps for Canterbury

Jennifer Storey

Canterbury Cavaliers

The Cavaliers had high hopes heading into the 2016 campaign. After missing out on the finals the last two years at the semi-final stages, a gold medal was the team's focus. Coach Andrew Hastie named an experienced squad with all but one of the side having had previous experience with the Cavaliers at NHL level. Ari Barrow, captain of the victorious Canterbury Under 21 side, was the sole debutant in 2016.

Like the Cats, the side travelled to Auckland as their main pre-tournament preparation. Two good performances against Auckland and North Harbour gave them the confidence heading into the opening round that this year could well be a defining year for the group.

Capital, the defending champions, travelled to Marist Park for the round one fixture. The Cavaliers gained an important four points with a 3nder 1 victory. With the change in format seeing semi-finals eliminated, every point earned would be crucial during the round robin stages as the top two on the points ladder would play for the title.

Three regulation wins from their first four games in Whangarei saw the Cavaliers qualify for the final with a match to spare. As the competition played out, three other teams were in contention for the other finals spot on the last day of games. Midlands and Canterbury squared off in a must win game for Midlands and the Orange secured the victory they required to join the Cavaliers in the final. A first finals appearance since 2007 awaited the Cavaliers.

With the proceedings playing to national TV audience, the weather played havoc. Early morning rain unfortunately saw pitches flooded for the morning games and led to a late turf change for the final, but the match did get underway on time. The Cavaliers dominated play early and were unlucky as a Dom Newman deflection goal was deemed dangerous. Midlands opened the scoring but Nick Haig struck back to level the match going into halftime. As time ticked by both teams were looking for an opening, with Midlands gaining the upper hand with a strike late in the fourth quarter. They secured the win with a third goal late in the final quarter and the Cavaliers had to settle for a silver medal.

While the team was disappointed, it was a valiant effort and will give them the motivation to return in 2017 and strive for the ultimate goal. David Brydon was awarded the Most Valuable Player of the tournament for his performances across the week.

David Brydon slots home the game winner against Capital

NHL Results

Capital	Won 3-1
Central	Won 3-1
Northland	Won 8-0
North Harbour	Lost 1-2
Auckland	Won 3-1

Alastair Harvey	Hugh Hendrickson
Josh Meates	Ben Owers
Bryan Schofield	Bryce Smith
Manager: Andrew Brydon	

The Beavers travelled to Whangarei looking to repeat their efforts from 12 months prior and secure the Newman Trophy for the third consecutive year. Their build-up to tournament saw them travel across the South Island taking on Southland, a Maadi Cup XI and the Cavaliers which provided tough opposition and great preparation.

A battle of the mainland against Otago kick started the tournament with a strong win, followed up with a victory over North Harbour to earn a spot in the top four. A penalty shootout loss in their final pool match against Waikato kept the team grounded before a well-earned rest day.

Neighbours South Canterbury provided stern opposition in the semi-finals, but the side carefully navigated their way through to the finals where they would meet hosts Northland. On a warm Friday evening, and with the home crowd in full voice, an early goal to Josh Meates put the side ahead. While the Beavers did their best to add a second, the Northland side were equal to the task.

An exciting final quarter had the crowd on the edge of their seats. A final flurry from the Northlanders was well defended and the Beavers were crowned national champions once again.

The Barracudas were the hunted in 2016 on the back of their title win from 2015. Only four members of the side returned, with four having progressed into the Cats. Sally Moorfield was again in charge of the side, joined by John Radovonich in a formidable coaching lineup.

Their preparation also saw them travel around the mainland with matches against Otago, Southland and Tasman, as well as two tough matches against the Cats.

Three wins from three in pool play put them into the top four, where they continued their winning ways getting past Southland and North Harbour and securing a spot in the final for the second year running. They would meet Southland for the third time in just over a month for the right to take home the Floyd Shield.

The final was an intense affair with both teams strong defensively and proving tough to crack. A goalless first half put the pressure on in the second half, but again the goals were hard to come by. At the end of 60 minutes of play the teams were deadlocked.

The resulting penalty shootout would determine the winner, and with it the national title. Some strong goalkeeping and striker execution would prove the difference as Southland took the shootout 3-1 to capture the Floyd Shield.

Following a lean stretch, the Silver represented the third medal in three years for the Barracudas. They will be back in 2017 with a view to getting back onto the top of the podium.

The Under 21 Men broke an eight year hoodoo as they stormed to the national title with a dominant 6-0 victory over North Harbour in final in Dunedin. All six goals came in the second half as the boys in red provided the large crowd with a spectacle.

Sam Lane had an outstanding tournament, finishing as the top goal scorer with 14 goals as well as being awarded the tournament Most Valuable Player award.

Masters Representative Teams

The 2016 National Masters' Tournament was held in Nelson and Blenheim. Canterbury sent four women's and four men's teams. The 60+ Men and 40+ Women came home with gold, both securing their third consecutive titles, while the 45+ Women and 50+ Men were a place further back in second to round out the medal haul.

Again there was a number of Canterbury Masters players selected to attend the Master's World Cup in Canberra.

Canterbury Masters 60+ Men's team:

Peter Ashton
Murray Bonnington
Peter Henderson
Dave Mallender
Dick Pettet
Robin Whitmore
Coach: Dick Pettet

These Financial Statements are signed for and on behalf of the Board:

Chairman

Board Member

Date

23/1/2017

Date

23 January 2017

These financial statements are to be read in conjunction with the accompanying Notes. These statements have been audited.

1 Statement of Accounting Policies

The Association is an incorporated society, incorporated under the Incorporated Societies Act 1908. The financial statements of the Association are a special purpose financial report which have been prepared in accordance with the association's accounting policies.

Measurement Base

The accounting principles recognised as appropriate for the measurement and reporting of financial performance and financial position on a historical cost basis have been applied.

Specific Accounting Policies

The following specific accounting policies which materially affect the measurement of financial performance and financial position have been applied:

(a) Revenue

Revenue is recognised in the year in which it is earned. Grants which are conditional are initially recorded in the Statement of Financial Position, but are transferred and recognised as revenue in the year the condition upon which the grant is obtained is met. Any grants unspent are held until the relevant expenditure is incurred or are returned to the original donor. Grants which have no obligations or conditions attached are recognised as revenue upon receipt.

(b) Expenses

Expenses have been classified by their function to the Association.

(c) Inventories

Inventories are recognised at lower of cost and net realisable value, determined on a first-in first out-basis.

(d) Accounts Receivables

Accounts receivable have been recorded at their expected realisable value.

(e) Property, Plant & Equipment

Fixed assets are recorded at cost less accumulated depreciation.

Depreciation is calculated based on the expected useful life of the assets, using the diminishing value method. The rates applied are as follows:

Office Equipment, 10% - 50%
Motor Vehicles, 16% - 30%
Plant & Equipment, 10% - 50%
Buildings, 4%.

(f) Goods and Services Taxation (GST)

Revenues and expenses have been recognised in the financial statements exclusive of GST except that irrecoverable GST input tax has been recognised in association with the expense to which it relates. All items in the Statement of Financial Position are stated exclusive of GST, with the exception of trade payables and trade receivables.

Canterbury Hockey Association Incorporated
Notes to and forming part of the Financial Statements

For the Year Ended 31 October 2016

(g) Income Tax

The Association is a Not for Profit Organisation, and has been granted an exemption from income tax.

(h) Changes in Accounting Policies

There have been no changes in accounting policies. All policies have been applied on a basis consistent with last year.

2 Sundry Income

Included in Sundry Income are the fee charged to Hockey Academy South for administration, income from tournaments, income from functions and the Turf Replacement Levy charged to clubs and schools.

3 Representative Programme

2016

2015

Included in the Representative Programme expenses are the following items:

Accommodation	149,523	159,801
Airfares	77,341	114,062

4 Sundry Expenses

Included in Sundry Expenses are tournament expenses and the Clubmark rebates paid to clubs.

5 Other Income

Included in Other Income is the sale of Striking Gold books donated. (Prior year the Supporters Club wound up and donated it's bank balances to the Association. These funds are being held in a separate bank deposit account and the income earned will be used in the future to support outcomes agreed with the Supporters Club.)

6 Other Expense

Other Expense of \$ 25,147 is the agreed underwrite of the financial activities of Hockey Academy South.

7 Bank Accounts

	<u>120,371</u>	<u>334,635</u>

For the Year Ended 31 October 2016

12 Masters, Representative Teams and Umpires Development Trust Funds

Funds held on behalf of Masters, Representative Teams and Umpire Development Trust are recorded as a current liability in the Balance Sheet. They relate to the bank accounts which are not under the control of the Association.

13 Canterbury Artificial Surfaces Trust Advance

This advance is unsecured, interest free and repayable on demand. However, repayment is not expected to be required within the next twelve months.

14 Related Party Transactions

Nick Harris is a board member and a Trustee of Canterbury Artificial Surfaces Trust (CAST). During the year the Association leased turfs from CAST and also held an advance in relation to CAST (see Note 3). Nick Harris is President of the Marist Hockey Club. During the year Canterbury Hockey Association charged Marist Hockey Club for turf fees (practice and match) and affiliation fees. The Association also paid Marist for umpiring duties, turf management and a Clubmark Rebate. Nick Harris is a Director and Shareholder of Hellers Limited, who have provided sponsorship during the year end.

Some board members and their immediate family members have connections with individual clubs. These relationships are recorded in an interest register and should involvement with a decision be considered a conflict of interest the board member would remove themselves from the voting process.

15 Operating Leases

Payments made under operating leases are recognised in the Income Statement on a straight line basis over the term of the lease. Non cancellable operating lease rentals for the photocopier used by the Association are payable as follows:

	2016	2015
Leases Current	2,874	2,640
Leases Non Current	8,145	440
	<u>11,019</u>	<u>3,080</u>

The Association has lease agreements in place for the use of the artificial surface hockey turfs in the province. The agreement with Canterbury Artificial Surfaces Trust in relation to the three turfs at Nunweek Park runs through to 31 October 2017 (with clear expectations of its on-going renewal annually) and the lease balance as at 31 October 2016 was nil. The agreement with the North-West Christchurch Community Sporting Trust for the one turf at Marist Park @ St Bede's College runs through to 31 March 2020.

Total payments due under agreements for turf leases as at 31 October 2016 are as follows:

	2016	2015
Turf Leases Current	272,770	271,239
Turf Leases Non Current	158,048	220,818
	<u>430,818</u>	<u>492,058</u>

Canterbury Hockey Association Incorporated

For the Year Ended 31 October 2016

16 Equity	2016	2015
Accumulated Funds		
Accumulated Funds as at 1 November	1,205,820	1,146,908
Operating Surplus for the Year	48,310	73,075
Net Transfers between Reserves	(14,030)	(14,163)
Accumulated Funds as at 31 October	<u>1,240,100</u>	<u>1,205,820</u>
Reserves		
Reserves at 31 October were:		
Turf Replacement Reserve	107,361	93,330
Turf Development Reserve	200,000	200,000
	<u>307,361</u>	<u>293,330</u>
Equity as at 31 October	<u>1,547,461</u>	<u>1,499,151</u>

The Reserves are intended to fund the development and on-going surface replacement of artificial turfs at Nunweek Park and any additional sites that may be developed with artificial surface hockey fields. The related funds are included within the cash balances disclosed in note 7.

Net Transfers Between Reserves were:

	2016	2015
less:		
General Reserve to Turf Replacement Reserve	14,030	14,163

17 Contingent Liabilities

A facility with the ANZ Bank in the name of Canterbury Artificial Surfaces Trust for \$400,000.

The Association has guaranteed a loan with Rata Foundation held by Canterbury Artificial Surfaces Trust. The balance as at 30 September 2016 was \$ 54,621 (2015: \$ 78,661). All terms and conditions of the loan are currently being met.

Hockey Academy South is the high performance entity that identifies and develops hockey athletes in the Canterbury region. It has a separate board and manages its own financial performance and position. The Association charges a service fee for providing training facilities, administration and office support. Canterbury Hockey Association also has committed to underwriting the financial position of Hockey Academy South so that it can operate with solvency certainty.

18 Capital Commitments

There are no capital commitments at balance date (2015: nil)

19 Subsequent Events

There have been no transactions subsequent to balance date that would have a material affect on the financial position of the Association (2015: nil)

INDEPENDENT AUDITOR'S REPORT

To the Members of Canterbury Hockey Association Inc.

We have audited the accompanying special purpose financial statements of Canterbury Hockey Association Inc. on pages 3 to 10, which comprise the statement of financial position as at 31 October 2016, and the statement of financial performance, statement of movements in equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

These are special purpose financial statements prepared in accordance with the entity's accounting policies.

Boards' Responsibility for the Financial Statements

The board is responsible for the preparation of the special purpose financial statements in accordance with the entity's accounting policies and for such internal control as the board determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these special purpose financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing (New Zealand). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the special purpose financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates as well as evaluating the presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Ashton Wheelans provides sponsorship for signage. Other than in our capacity as auditor we have no relationship with, or interests in, Canterbury Hockey Association Inc.

Opinion

In our opinion, the special purpose financial statements on pages 3 to 10 are prepared, in all material respects, in accordance with the entity's accounting policies.

Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to the basis of preparation in the notes to the financial statements, which describes the basis of accounting. The financial statements are prepared for the benefit of the Members. As a result the financial statements may not be suitable for another purpose. Our report is intended solely for the Members and should not be distributed to parties other than the Members.

Appendix A: Canterbury Artificial Surfaces Trust Annual Report

for the year ended 30 September 2016

During the past year the Canterbury Artificial Surfaces Trust has worked closely with Canterbury Hockey, the Christchurch City Council and the other sports involved with the planning and construction of Nga Puna Wai Sporting Hub. The Trustees are conscious of their responsibility to the Canterbury Hockey community to provide hockey facilities and thus they have worked with Rangi Ruru School in the development of their new half turf and had input into the turf developments at Rolleston and Rangiora.

The Trustees had two face to face meetings during the year but regular communication also took place electronically. In addition, the Chair and Peter Cox met regularly to deal with routine financial matters.

Nga Puna Wai

This project has been the major issue for the Trust during the year as it continued to progress through the various stages of the Council processes. The plans for the Hub have been finalised with Stage 1 consisting of two water based hockey turfs, one athletic track, two rugby league grounds, 12 tennis courts, stands for spectators (including a covered stand for hockey), a changing "village", administration and social facilities, grass fields for other sports and parking. Detailed design is being carried out with tenders for construction being sought early in 2017. The athletics track is scheduled to be completed by December 2017 and the hockey turfs by March 2018. It is a very tight schedule which could be derailed in numerous ways but the Trust and Canterbury Hockey are cooperating with the Council on all aspects of the construction and method of operating the Hub on competition. Financial constraints will not provide the final vision for the Hub in Stage 1 but what is completed will be future proofed so it can be added to when funds allow. The Trust will be contributing the \$3M insurance payout towards the Hub and in return obtaining the access that Canterbury Hockey requires to run all its local competitions, national tournaments and international events.

Nunweek Park

Nunweek Park has been the "workhorse" for Canterbury Hockey in terms of facilities over the last six years and it has served us well. During the year we upgraded scoreboards and lights, repaired storm damage to safety nets and carried out maintenance on fences. When Nga Puna Wai is up and running, the Trust's sole responsibility will be Nunweek Park, which of course will still stage the a significant amount of Canterbury Hockey matches.

Other Turf Initiatives

During the year the Trust provided an interest free loan to Rangi Ruru School to assist them to construct their half turf facility. This now completed project has provided another turf for use by Canterbury Hockey. This loan has been made on the proviso that it is repaid as required by the Trust to contribute to Nga Puna Wai.

It is also pleasing to report that the Waimakariri District Council has completed the construction of a full hockey turf (watered) next to Mainpower Oval in Rangiora. This is now available for use by Canterbury Hockey. This project has been driven by the Council with strong support from the North Canterbury Sport and Recreation Trust, and advice from the Trust as required. The Canterbury Hockey community is very grateful to the Council for this initiative.

There has also been excellent progress on a new, sand-based half turf at Rolleston to support the development of the new Waikirikiri Sports Club which includes hockey. This project is being driven by the Selwyn District Council.

Financial Performance

The Trust had an operating surplus of \$75,501 (after accounting for depreciation) for the year ending 30 September 2016. With about \$3M on fixed deposit \$128,000 was received in interest. The turf hire fees for Nunweek Park paid by Canterbury Hockey to the Trust were not increased.

Conclusion

The patience demonstrated by the Canterbury Hockey community in putting up with a lack of hockey turfs for six seasons is soon to be rewarded. The 2017 season will bring on stream both the Rangiora full turf and the half turf at Rolleston, which should relieve the pressure a little. With the Nga Puna Wai turfs to come into play in 2018, the end of the playing surface shortage is in sight.

Thank you to the Trustees for their continued commitment. Sandra Pooch resigned during the year and the Trustees recognised her significant contribution during her 10 years of service. She has been replaced by Nick Harris from the Canterbury Hockey Board. The other Trustees are Ian Riach, Mike Bevin, Peter Cox and Selwyn Maister. Peter Cox continues to act as the Trustee with oversight and responsibility for the Trust's finances. Peter has also contributed on many other fronts and his ongoing support of the Trust since its inception is hugely appreciated. My thanks also to the Canterbury Hockey staff and Board for their ongoing cooperation. Effective communications between the Trust and Canterbury Hockey are essential to make a seamless interface between the facilities and their smooth operation. Special thanks to Chief Executive Rod Templeton for the excellent level of cooperation and communication he has provided throughout the year. Rod has carried a particularly heavy load with respect to the Nga Puna Wai project as the Council have set up four different committees covering all aspects of Nga Puna Wai's construction, operation and funding and Rod has represented hockey on all of them. Thank you Rod. The Canterbury Hockey Facilities Subcommittee, consisting of Rod Templeton and Nick Harris from Canterbury Hockey and Peter Cox and Selwyn Maister from the Trust, has had to deal with many on-going issues concerning hockey facilities in Canterbury. The Canterbury Hockey community can remain very confident that Canterbury Hockey and the Trust are working well together for the advancement of the sport.

Entity Information

Canterbury Artificial Surfaces Trust For the year ended 30 September 2016

'Who are we?', 'Why do we exist?'

Legal Name of Entity

Canterbury Artificial Surfaces Trust

Entity Type and Legal Basis

Canterbury Artificial Surfaces Trust is a Registered Charitable Trust, and was incorporated under the Charitable Trusts Act 1957 on 17 May 2010.

Registration Number

CC24722

Entity's Purpose or Mission

Canterbury Artificial Surfaces Trust has been established and is to be maintained to finance, construct, own, maintain and develop artificial hockey turf surfaces, infrastructure and associated facilities in Canterbury for the benefit of Canterbury hockey players of all ages and abilities, officials, spectators and the general public.

Entity Structure

The Trust is governed by a Board of Trustees appointed in accordance with the provisions of a Deed of Trust.

The Board of Trustees meets as often as appropriate to conduct the business of the Trust.

Main Sources of Entity's Cash and Resources

Canterbury Artificial Surfaces Trust's primary source of funding is through receipt of turf hire fees from Canterbury Hockey Association for the use of Canterbury Artificial Surfaces Trust's artificial turfs. Additional sources of funding include:

- Investment income
- Special grants from time to time from territorial local authorities
- Special purpose grants from time to time from Community, Charitable or Gaming Trusts

Main Methods Used by Entity to Raise Funds

The primary method of raising funds is the annual negotiation with Canterbury Hockey Association for the use of Canterbury Artificial Surfaces Trust's artificial turfs for the ensuing financial year. From time to time if additional funding is required, especially for capital developments, application may be made to third party agencies for specific grants.

Entity's Reliance on Volunteers and Donated Goods or Services

Canterbury Artificial Surfaces Trust is reliant on volunteers to fill and perform the Trustee roles. Some administrative assistance is provided on an as-needed basis by Canterbury Hockey Association personnel. There is no reliance on donated goods.

Statement of Service Performance

Canterbury Artificial Surfaces Trust For the year ended 30 September 2016

'What did we do?', 'When did we do it?'

Description of Entity's Outcomes

Canterbury Artificial Surfaces Trust's objective is to work in collaboration to ensure there are adequate artificial hockey surfaces of an appropriate standard available to meet the needs of Canterbury hockey players both current and future.

	2016	BUDGET	2015
Description and Quantification of the Entity's Outputs			
Turf Hire	210,000	210,000	210,000

Description and Quantification of the Entity's Outputs

Other than for weather-related events all three turfs at Nunweek Park were available for use by Canterbury Hockey Association at all times during the year.

Additional Information

Canterbury Artificial Surfaces Trust maintained a close working relationship with Canterbury Hockey Association and territorial local authorities throughout the year to ensure Canterbury Hockey Association facility needs were being met and/or plans were in place to ensure facilities would be available in future. These outcomes are generally dependent on actions taken by other parties, particularly the territorial local authorities.

Statement of Accounting Policies

Canterbury Artificial Surfaces Trust For the year ended 30 September 2016

'How did we do our accounting?'

Basis of Preparation

The entity has elected to apply PBE SFR-A (NFP) Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) on the basis that it does not have public accountability and has total annual expenses equal to or less than \$2,000,000. All transactions in the Performance Report are reported using the accrual basis of accounting. The Performance Report is prepared under the assumption that the entity will continue to operate in the foreseeable future.

Goods and Services Tax (GST)

The entity is registered for GST. All amounts are stated exclusive of goods and services tax (GST) except for accounts payable and accounts receivable which are stated inclusive of GST.

Income Tax

Canterbury Artificial Surfaces Trust is wholly exempt from New Zealand income tax having fully complied with all statutory conditions for these exemptions.

Bank Accounts and Cash

Bank accounts and cash in the Statement of Cash Flows comprise cash balances and bank balances (including short term deposits) with original maturities of 90 days or less.

Specific Accounting Policies

REVENUE

Turf income is accrued and recognised in accordance with the period of service provided.

Interest income is recognised on an accrual basis.

FIXED ASSETS

Fixed assets are recorded at cost less accumulated depreciation.

DEPRECIATION

Depreciation is calculated based on the estimated useful life of the assets.

INVESTMENTS

Investments are recorded at cost plus any compound interest. The trustees expect the term deposits held with ASB & ANZ and maturing within twelve months of balance date, will be reinvested for a similar term.

Changes in Accounting Policies

This is the first year of PBE Public Benefit Entity Tier 3 reporting and there have been no significant changes in accounting policies arising. The prior year comparatives have been included and restated to conform with the new presentation. This is the first year the Statement of Cash Flow has been required and no comparatives have been prepared.

ASB Term Deposit 0072	566,417	566,417
Total Investments	2,901,463	2,770,664

Funds invested on term deposit are largely derived from proceeds received from the Porritt Park insurance claims and are held with the intention that they will be applied to the construction of further, new artificial surfaces.

	2016	2015
4. Analysis of Liabilities		
Creditors and accrued expenses		
Accounts Payable	2,520	2,195
GST	(77)	(5,611)
Total Creditors and accrued expenses	2,443	(3,416)
Current Portion Term Loans		
Rata Foundation Loan - Current Portion	24,772	24,041
Total Current Portion Term Loans	24,772	24,041
Loans		
Canterbury Hockey Association	522,258	522,258
Rata Foundation Loan - Term Portion	29,849	54,620
Total Loans	552,107	576,878

The Canterbury Hockey Association balance outstanding as at 30 September 2016 is \$522,258 (2015 - \$522,258). The loan is a non interest bearing loan with no fixed repayment date. The trustees do not expect the loan to be called upon within twelve months of balance date.

The Rata Foundation loan is unsecured and is guaranteed by Canterbury Hockey Association (Inc). The term is for ten years from 15 November 2008 until 20 November 2018. Interest is payable at 3% per annum (30 September 2015 3% per annum).

The interest rate on the loan is below market value, and accordingly the interest cost of the loan is discounted by an amount of \$10,700. The value of this "donation" is recognised in the Statement Of Financial Performance in the form of a lower concessional subsidised interest cost.

	2016	2015
5. Property, Plant and Equipment		
Property and Equipment		
Fixed assets At Cost	4,321,536	4,321,536
Accumulated depreciation	(1,165,666)	(953,178)

6. Accumulated Funds		
Accumulated Funds		
Opening Balance	6,106,923	6,031,007
Accumulated surpluses or (deficits)	75,501	75,916
Total Accumulated Funds	6,182,424	6,106,923
Total Accumulated Funds	6,182,424	6,106,923

7. Loan Advance

The loan advance to Rangī Ruru is for the purpose of partially funding the building of an artificial hockey surface. The loan is for two years until 1 February 2018 and is interest free. The loan is guaranteed by the Rangī Ruru Foundation.

8. Commitments

There are no commitments as at 30 September 2016 (Last year - nil).

9. Contingent Liabilities and Guarantees

At the time of writing, the Trustees are unaware of any Contingent Liabilities or Guarantees. Last year a contingent liability was noted in respect of the earthquake damaged turfs and land at Porritt Park, which may have been required to be remediated. The trustees were unable to quantify any potential liability.

10. Assets Held on Behalf of Others

None

11. Related Parties

During the year under review Canterbury Artificial Surfaces Trust entered into transaction on normal trading terms with Canterbury Hockey Association Incorporated for turf hire. Sandra Pooch (now retired) was a Trustee for Canterbury Artificial Surfaces Trust and a member of the Board of Directors for Canterbury Hockey Association Incorporated. Nick Harris is a Trustee for Canterbury Artificial Surfaces Trust and a member of the Board of Directors for Canterbury Hockey Association Incorporated.

12. Events After the Balance Date

There were no events that have occurred after the balance date that would have a material impact on the Performance Report (Last year - nil).

13. Ability to Continue Operating

The entity will continue to operate for the foreseeable future.

INDEPENDENT AUDITOR'S REPORT

To the Trustees of Canterbury Artificial Surfaces Trust

We have audited the accompanying performance report of Canterbury Artificial Surfaces Trust on pages 3 to 13, which comprise the statement of financial position as at 30 September 2016, the entity information, statement of service performance, statement of financial performance and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Trustees' Responsibility for the Performance Report

The trustees are responsible for the preparation of the performance report in accordance with Public Benefit Entity Simple Format Reporting Standard – Accrual (Not-For-Profit) issued in New Zealand by the New Zealand Accounting Standards Board, and for such internal control as the trustees determine is necessary to enable the preparation of the performance report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the performance report based on our audit. We conducted our audit in accordance with International Standards on Auditing (New Zealand). These standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the performance report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the performance report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the performance report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the trust's preparation of the performance report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the trust's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates, as well as evaluating the overall presentation of the performance report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other than in our capacity as auditor we have no relationship with, or interests in Canterbury Artificial Surfaces Trust.

Opinion

In our opinion, the performance report of Canterbury Artificial Surfaces Trust for the year ending 30 September 2016 on pages 3 to 13 is prepared, in all material respects, in accordance with the Public Benefit Entity Simple Format Reporting Standard – Accrual (Not-For-Profit).

Appendix B: Hockey Academy South Annual Report

High Performance Manager Report 2016

Hockey Academy South (HAS) has completed its fourth year of high performance program delivery to the elite players of our region. The benefits of the program continue to be demonstrated by the increasing numbers of engaged players achieving Association, regional and national representative honours.

The programme continues to operate under three levels; futures, development and elite. All Canterbury 2016 Under 18 representative players and above were invited to join the academy.

During the 2016/2017 HAS season, there were 80 players registered for the Academy program. Twenty of these players were in the Elite tier. Chris Leslie, our high performance manager, has continued to deliver the programme and has been ably assisted in coaching by Aaron Ford, Andy Innes, Sue Innes, Jon O'Haire, Craig Anderson, Andrew Buckley, Grant Edwards and Andrew Hastie. We are fortunate to have a goalkeeping specialist coach in Jon O'Haire. We would be unable to deliver the coaching sessions to such a high standard without the involvement of these coaches. We are grateful for their commitment and expertise.

One of the components of the HAS program we offer that has been identified as both valuable and instrumental in producing a higher player improvement level, is the strengthening and conditioning program. It has been shown from our data that both consistent and constant training has produced improved fitness testing results. This has also shown a reduced rate and susceptibility to injury of the players who have fully engaged in this part of the program. This year saw an increase of players involved in the programme on a more regular basis.

It is also imperative that we maintain the intensity of the coaching sessions we deliver so that the player focus, particularly at the elite level, is maintained in line with that achieved in the Auckland based program under the national coaches. At the time of writing this report, 21 HAS players had gained representative status at a national or national age group level.

To date our HAS players include six that will or about to play for the Black Sticks, six Under 21 Black Sticks and eleven Junior Black Sticks. We also have four players on the 'pathway to podium' program.

HAS recognizes the need to continually improve the product and its delivery. To that end, the HAS Board and management are currently working through a process of revamping the existing HAS model to maximize resources for player, coach and umpire development at the appropriate levels.

NOTES TO THE FINANCIAL STATEMENTS

for the Year Ended 30 June 2016

1. STATEMENT OF ACCOUNTING POLICIES

REPORTING ENTITY

Hockey Academy South Incorporated is a society, incorporated under the Incorporated Societies Act 1908.

The financial statements of the Academy are a special purpose financial report which have been prepared in accordance with the following accounting policies.

MEASUREMENT BASE

The accounting principles recognised as appropriate for the measurement and reporting of financial performance and financial position on a historical cost basis have been applied.

SPECIFIC ACCOUNTING POLICIES

The following specific accounting policies which materially affect the measurement of financial performance and financial position have been applied:

GRANTS INCOME

Grants are initially recorded in the Statement of Financial Position, but are transferred and recognised as revenue in the year the condition, upon which the grant is obtained, is met.
Any grants unspent are held until the relevant expenditure is incurred, or are returned to the original donor.

FIXED ASSETS

Fixed assets are recorded at cost less accumulated depreciation.

DEPRECIATION

Depreciation is calculated based on the expected useful life of the assets, using the diminishing value method.
The rates applied are as follows: Plant & Equipment, 20% - 50%.

ACCOUNTS RECEIVABLE

Accounts receivable have been recorded at their expected realisable value.

TAXATION

The Association is a Not for Profit Organisation, and has been granted an exemption from income tax.

GOODS AND SERVICES TAX

These accounts have been prepared on a GST exclusive basis, except for accounts payable and accounts receivable, which are recorded inclusive of GST where applicable.

CHANGES IN ACCOUNTING POLICIES

There have been no changes in accounting policies. All policies have been applied on a basis consistent with last year.

2. BANK ACCOUNTS		
Operating Account	11,946	12,236
Deposit Account	37,283	60,472
	<u>49,229</u>	<u>72,708</u>

3. CONTINGENT LIABILITIES & COMMITMENTS

There were no contingent liabilities or outstanding commitments at balance date (30 June 2015, nil).

4. TRANSACTIONS WITH RELATED PARTIES

Hockey Academy South Incorporated accesses certain services from one of its members, Canterbury Hockey Association Incorporated

These services relate to the provision of training facilities, office space and equipment and management of financial and funding processes.

A Service Agreement between the parties was signed 21 June 2012 for services commencing from 1 July 2012 and having no stipulated end date.

Some board members of Hockey Academy South Incorporated are also board members of Canterbury Hockey Association Incorporated.

5. GRANT FUNDING

Grant funding was received from the following contributors:

New Zealand Community Trust	50,000	50,000
First Sovereign Trust	(1,659)	7,364
Trust Aoraki	14,000	7,500
Hockey Foundation	4,000	-
Hockey New Zealand	-	10,000
Canterbury Earthquake Recovery Trust	10,000	6,000
Pub Charity	5,000	5,000
Air Rescue Services	-	7,000
The Southern Trust	-	18,000
	<u>81,341</u>	<u>110,864</u>

Grant funding received is recognised in the financial statements as follows:

Grants received	81,341	110,864
Grants deferred (as below)	(37,359)	(51,133)
Recognition of 2015 deferred grants	51,133	46,120
Total grants recognised per P&L	<u>95,115</u>	<u>105,851</u>

Grants deferred

NZCT	35,861	42,603
Pub Charity	1,498	
First Sovereign		3,364
CERT		5,166
	<u>37,359</u>	<u>51,133</u>

HOCKEY ACADEMY SOUTH INCORPORATED

FIXED ASSETS AND DEPRECIATION

for the Year Ended 30 June 2016

6. FIXED ASSETS AND DEPRECIATION

Particulars of fixed assets and depreciation are set out on the following schedule:

Asset	Cost Price	Opening Book Value 01/07/2015	Depreciation Rate	Depreciation charged	Accumulated Depreciation	Closing Book Value 30/06/2016
<u>PLANT & EQUIPMENT</u>

	20,439	5,218		1,783	17,004	3,435

7. FINANCIAL SUPPORT

Hockey Academy South Incorporated is reliant on continued grant funding and the financial support pledged by the Canterbury Hockey Association to ensure the continuation of its operating activities.

8. AUDIT EXPENSE

Audit Expense of \$ 440 relates to prior year. \$ 1,700 has been accrued for the current year.

INDEPENDENT AUDITOR'S REPORT

To the Members of Hockey Academy South Incorporated

We have audited the special purpose financial statements of Hockey Academy South Incorporated on pages 1 to 6, which comprise the balance sheet as at 30 June 2016, and the income statement, statement of changes in equity for the year then ended, and the notes to the financial statements including a statement of accounting policies.

Board of Management's Responsibility for the Financial Statements

The Board of Management is responsible for the preparation and fair presentation of these special purpose financial statements in accordance with the accounting policies and for such internal control as the Board of Management determines is necessary to enable the preparation of special purpose financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing (New Zealand). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other than in our capacity as auditor we have no relationship with, or interests in, Hockey Academy South Incorporated.

Opinion

In our opinion, the special purpose financial statements on pages 1 to 6 present fairly, in all material respects, the financial position of Hockey Academy South Incorporated as at 30 June 2016 and its financial performance for the year then ended in accordance with the accounting policies disclosed.

Emphasis of Matter

We draw attention to Note 7 of the special purpose financial statements, which describes Hockey Academy South Incorporated's reliance on continued grant funding and the ongoing financial support of Canterbury Hockey Association to remain a going concern. Our opinion is not qualified in respect of this matter.

Other Matters

Ashton Wheelans are the auditor of Canterbury Hockey Association who provide financial support.
