

2025 Canterbury Hockey Association Competition Structures

Preamble

Canterbury Hockey is excited to be able to provide our season dates for the 2025 season!

As always, we aim to have a season which has good flow to it with minimal disruptions allowing teams to build momentum through the season. We look to balance high workload periods within our competitions and give teams clear playing and non-playing dates where possible. Some grades may change once entry numbers are confirmed. With High School tournament a week earlier than normal most grades start dates have been bumped forward by 1 week to allow for the same length season as 2024.
